

**IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEW MEXICO**

Rio Grande Foundation, et al.

Plaintiffs,

vs.

CIVIL NO. 1:19-cv-01174-JCH-JFR

Toulouse Oliver,

Defendant.

SECOND AMENDED CASE MANAGEMENT ORDER

The Parties filed a Joint Motion to Amend the Discovery Deadline (ECF No. 45). The motion stated that although the Parties have completed written discovery, they require a 45-day extension of the discovery deadline to complete depositions. This extension is needed because Plaintiffs' interrogatory answers and document production were delayed due to disruptions related to the public health emergency. Finding the Joint Motion well taken, the Court amends the current case management orders (ECF Nos. 42-43) as follows:

- | | |
|---|-----------------|
| (a) Depositions of fact witnesses complete: | April 9, 2021 |
| (b) Parties' disclosure of expert witness identities: | April 23, 2021 |
| (c) Parties' disclosure of expert witness reports: | May 21, 2021 |
| (d) Termination date for all discovery: | June 18, 2021 |
| (e) Motions related to discovery to be filed: | July 2, 2021 |
| (f) Pretrial motions other than discovery motions: | July 16, 2021 |
| (g) Pretrial order, Plaintiffs to Defendants: | August 16, 2021 |
| (h) Pretrial order, Defendants to Plaintiffs: | August 30, 2021 |

All other aspects of the prior order setting case management deadlines remain in effect, with exception of the dates noted herein. *See* ECF Nos. 16, 42, 43.

IT IS SO ORDERED.

JOHN F. ROBBENHAAR
United States Magistrate Judge

Respectfully submitted,

For the Plaintiffs:
